1. 20240610-Release of SEB 064 on the use of carbon quantification tools in acquisition environmental management

This notification is to announce a new SEB 064 on the use of use of carbon quantification tools in acquisition environmental management. This aims to provide clarity and guidance on how to identify and source suitable carbon tools to quantify carbon footprints of Products, Systems and Services (PSS).

Full details can be found in SEB 064 within [Supporting Documents](#) [1].
