1. 20250725 - SEB 073 - Mandating the Use of the Updated Safety Case Maturity Tool

This SEB has been produced to mandate the use of the updated Safety Case Maturity Tool (SCMT) for all Platforms and Large Complex Systems. This SEB replaces SEB 048, which has been archived. Policy Clause 4.1 [1] remains unchanged but still applies.

Full details can be found on SEB 073 within Supporting Documents [2].
