10. Independent Assurance

ASEMS Document Version:

3.0

Effective From:

Tuesday, 14 March, 2023 - 09:00

Description:

Independent review of the Safety and Environmental Management System shall be ensured, as appropriate and commensurate to the risk, by the individual with formally delegated authority for safety and environmental protection. Information/findings arising from independent assurance shall be stored on the BMS/SharePoint as appropriate.
