7. Learning From Experience

ASEMS Document Version:

3.1

Effective From:

Tuesday, 14 March, 2023 - 09:00

Description:

Operating Centres, Delivery Teams or equivalents shall ensure accidents and incidents are investigated to identify opportunities to reduce the likelihood and impact of recurrence. Lessons learned shall be shared amongst all relevant stakeholders to maximise benefit. Lessons learned (i.e. Audit Reports and LfE Artifacts) shall be shared amongst all relevant stakeholders and stored on the BMS/SharePoint as appropriate.
