Description

This SEB announces the update to ASEMS Part 1 - Policy Clause 5.6 – Environmental Impact. This update comes into effect immediately.

- Previously the clause indicated methodology (BPEO) rather than a goal or outcome and Delivery Teams (DTs) have been found to be non-compliant during audits. To address this issue wording has been agreed that specifies a goal or outcome not the methodology used, this update will allow DTs to use methodology that is potentially more fitting.
- As a knock-on effect Safety and Environmental Cases/Assessments at 2.1.0.3.(e) within Part 2 guidance/Guidance Manual Sections/2 will also be updated to reflect the updated Policy Clause.
